Cristina is a multiply certified and accredited people development professional. She has more than 3 000 hours of executive coaching and mentoring and over 1 000 in-person and virtual workshops and webinars under her belt. Her work has impacted the lives of hundreds of thousands of people in the Czech Republic, Romania, and worldwide.

This is how today Cristina and her team nurture their bigger mission: to triple the number of women CEOs in Europe by 2030.
